

POSITION: Packaging/Loading/Delivery

Summary

VOGO Cabinets is looking for someone to package, load, and deliver shipment of cabinets/millwork.

Essential Duties + Responsibilities

- Experience lifting heavy parts properly.
- Able to lift up to 100lbs.
- Basic computer knowledge
- Willing and able to remain organized.

Physical Demands

To perform this job successfully; the employee must be able to perform each essential duty satisfactorily. The demands described here are representative of those an employee encounters while performing the essential functions of the job. Required demands include:

- Manual dexterity -- Ability to move your hands quickly to grasp, manipulate, or assemble.
- Extent Flexibility -- The ability to bend stretches, twist, or reach with your body, arms, and/or legs. Typically bends, stoops, and turns/pivots to move perform production activities.
- Trunk Strength -- The ability to use your abdominal and lower back muscles to support part of the body repeatedly or continuously over time without 'giving out' or fatiguing.
- Static Strength -- The ability to exert maximum muscle force to lift, push, pull, or carry objects up to 70 pounds on a rare basis, 21-50 pounds occasionally, and up to 20 pounds on a frequent basis. Typically pushes, pulls, and grasps wood products to complete production tasks. A 2-person lift is required for anything over 50 pounds.
- Stamina -- The ability to exert oneself physically over long periods of time without getting winded or out of breath; must be able to walk/stand for the duration of the assigned shift in intervals of 3-4 hours in department assigned.
- Dynamic Strength -- The ability to exert muscle force repeatedly or continuously over time. This involves muscular endurance and resistance to muscle fatigue.
- Multi-limb Coordination -- The ability to coordinate two or more limbs (for example, two arms, two legs, or one leg and one arm) while sitting or standing.
- Typically requires full use of arms and hands to reach overhead, forward, and out to the sides to lift, rotate, carry, etc. wood products and/or tools.
- Gross Body Coordination -- The ability to coordinate the movement of your arms, legs, and torso together when the whole body is in motion while performing production functions.
- See, Hear and Communicate -- Sufficient capability to perform assigned tasks and maintain proper job safety conditions.

Job Requirements

- Valid Drivers License (CDL not required).
- Able to work 7am – 4pm shift.

Work Environment

VOGO Cabinets is a manufacturer of custom cabinetry products; the incumbent could also be exposed to dust, various temperatures, fumes and loud noise in the factory or job site setting. Due to regular time spent in these areas, the incumbent must be able to tolerate some exposure to these workplace characteristics. The incumbent must also follow all company safety procedures; including wearing required personal protective equipment while performing their installation duties.

Benefits:

- Paid Vacation
