Financial Impact

Through sponsorships, paid team/attendees, silent auction, raffle, long-bird and direct donations, this years event raised just under \$15,800 for ROAR. That brings the cumulative total to approximately \$68,000. ROAR intends to use the funds to further its mission of getting wheelers back outdoors in whatever capacity their hearts desire. As well as to continue making the ROAR property a destination location for those with physical disabilities and respite care for their families. To learn more about ROAR and how you can further help, please visit them on the web at: <https://roaroutdoors.org>.
