Financial Impact

Through sponsorships, paid team/attendees, silent auction, raffle, long-bird and direct donations, this years event raised just under \$16,400 for ROAR. That brings the cumulative total to approximately \$84,000. ROAR intends to use the funds to further its mission of getting wheelers back outdoors in whatever capacity their hearts desire. As well as to continue making the ROAR property a destination location for those with physical disabilities and respite care for their families.
