FREE CONFIDENCE BOOSTER SESSION FOR KS3 MATHS

Targeted support for Years 6–9 who are falling behind or losing confidence in maths — **this May half term.**

Designed to help those most in need get back on track ahead of end-of-year assessments.

LED BY

Christopher Currie – PGCE (Distinction) DBS checked
Teacher at Cricket Green School

WHAT'S INCLUDED?

- ✓ Short online diagnostic to pinpoint key gaps
- ✓ A one-hour small-group online session with a qualified teacher
- ✓ Confidence strategies tailored to KS3 students
- ✓ Follow-up email with **personalised recommendations**

IDEAL FOR STUDENTS WITH:

- ✓ Low confidence in maths
- ✓ SEND needs or barriers to learning
- ✓ Transition gaps in knowledge from primary school
- ✓ Anxiety or disengagement in class

Part of the Step Up Maths Programme

A 12-week small group intervention with lessons, feedback, assessments and a 30-day guarantee.

“Chris tailors lessons to each student. I recommend him without reservation.”

—Deputy Headteacher, Ofsted Outstanding School

Sessions running 27–31 May (online)

Free to attend – limited spaces available
