

MAYOR PAIGE BROWN

It's certainly been a cold and rainy Spring here in Gallatin, but that's just made me even more excited for a fabulous Gallatin Summer. Our City, like our residents, is immersed in spring cleaning and many wonderful outdoor efforts and events. The City is about to wrap up our 2018-19 budget and our brand new Strategic Plan.

This year's budget focuses on maintaining our roads, serving our citizens better, and providing increased protection through our Police and Fire Departments. We have quite a few capital investments and new projects, including a greatly improved radio system that will provide dependable communication for those in our Public Safety sector. We are pleased to let our residents know that our more than \$40 million dollar budget is funded without a property tax increase.

Summer is definitely my favorite time of the year, and Gallatin has more happening in 2018 than ever before. I hope you take some time to explore and enjoy what your City has for you and your family, and that you'll spread your love for the Nicest Place in America. As always, please call the Mayor's Office at (615)451-5961, visit [www.gallatintn.gov](http://www.gallatintn.gov), or email me at [paige.brown@gallatintn.gov](mailto:paige.brown@gallatintn.gov) if we may be of assistance. Happy Warm Weather Days!

## DOWNTOWN BRICKS FIND NEW HOME AT HISTORIC ROSE MONT

Once at a street crossing in downtown Gallatin, bricks were repurposed to become this walkway in the Rose Mont rose garden. The beautiful restoration project includes irrigation, flowers and shrubs, and a future fountain feature, which are all appropriate for this majestic home built in the 1800's.

## HISTORIC CITY CEMETERY DECORATION DAY

Join us for a uniquely southern tradition in the Historic Gallatin City Cemetery. Decorate graves, eat a bite of dinner and enjoy music at one of Gallatin's most treasured sites. Friends of the Historic Gallatin City Cemetery are gathering to raise awareness and to improve the condition of one of the most beautiful places in the county. American flags will be provided to adorn the graves of Veterans, as the event is just prior to Memorial Day.
