

25 Years Later:

A Walking Art Exhibit Commemorating September 11th, 2001

SCOPE OF EXHIBIT:

25 Years Later: A 9/11 Walking Art Exhibit is a themed and juried exhibit featuring visual art, as inspired by the events of September 11th, 2001, and the memory and lasting impact this event has had on our country. The theme is up to the artist's interpretation, and he/she may submit any work as long as it fits somehow with the media, subject matter or presentation of September 11th. Some examples include but are not limited to: an art piece inspired by the events that transpired on September 11th; the time period after the events of September 11th, an art piece inspired by the collective patriotism the country witnessed after the effects of the events.

This is a special exhibit and will be on display in designated downtown Mooresville participating businesses. A printed and digital map will be made available for the public to participate in this special event.

This is a juried show, so not all entries will be accepted for exhibition. The jury panel will select (virtually) all art to be exhibited. **Entrants will be notified if their work is selected, or not selected, for the exhibition.** Those NOT accepted into the exhibit should NOT bring in their artwork during intake weekend.

As long as the submitted artwork meets the criteria specified in the show prospectus and presentation guidelines, work will be accepted at intake and included in the exhibit. **Please read the entire prospectus for complete information.**
