Please have your work prepared for hanging before submission. If your work requires special installation be prepared with your own tools and help. 2-dimensional work **MUST** be wired for hanging (no exceptions); for optimal hanging, we suggest hanging the wire in the upper ¼ on the back of the piece. Mooresville Artists will do everything possible to keep each piece safe. However, submission of an entry is at the artist's own risk. Mooresville Arts reserves the right to photograph any work for publicity or promotional use only.
