<b><i>Clay All the Way</i></b>	7/22/19	Stephanie Gainer	Clay
<b><i>Drawing on the Right Side of the Brain</i></b>	7/29/19	Patty Acuff	Drawing

***Powerful Printmaking*** - Draw, carve, roll, press and lift... discover the exciting art form of Printmaking! Campers will get messy and have a blast experimenting with multiple printmaking tools and techniques including monotype, collagraph, relief printing, screen printing and more. Pop art, cards and stationery, wrapping paper, t-shirts or totes... the possibilities are endless!

***Painting with the Dream Team*** - Explore the inspiring worlds of Cezanne, Monet and Van Gogh! Campers will incorporate elements of these master artists' techniques, brushstrokes, colors and blending to create their own painted masterpieces!

***Variety Is the Spice*** - Make mixed media magic! Campers will use paint, ink, paper and other materials to create new unique works of art. Projects include creative collaging, altered books, art journaling and "explosion books," just to name a few!

***Bite This!*** - Sculptures that look good enough to eat? Using various modeling techniques with air dry clay and paper mache, campers will create tasty 3-dimensional foods such as fruits, vegetables, and baked goods!

***Learning to See Is the Key*** - Campers will have fun exploring drawing and creativity through a guided exploration of the world around them! They will explore patterns found in nature and create their own, as well as observe and create colors they see using watercolors and oil pastels.

***Clay All the Way*** - In this exciting hands-on camp, campers will explore many types of clay including air dry clay, fired clay, and Sculpey clay! This year, campers will also use underglazes to learn a technique called sgraffito. This and other decorative techniques will be part of the clay experience!

***Drawing on the Right Side of the Brain*** - Draw upside down! Draw using line only! Campers will focus on fundamental drawing skills and techniques such as proportion and developing shadows and highlights for a 3-D effect in this fun and creative camp.

### TEEN ART CAMPS - AGES 13 – 18 (1 PM – 4 PM)

Teen Camps – Ages 13 – 18 (1 PM – 4 PM)	Week of	Instructor	Topic
<b><i>Explore, Explore, Explore</i></b>	06/10/18	Dr. Mary-Louise Biasotti Hooper	Painting
<b><i>Painting Your World</i></b>	06/17/18	Leighton Isaacs	Painting
<b><i>Exploring Another World</i></b>	7/8/19	Lisa Crates	Photography
<b><i>Drawing the World with a Creative Eye</i></b>	7/15/19	Marion McClure	Drawing
<b><i>Clay All the Way for Teens</i></b>	7/22/19	Stephanie Gainer	Clay

***Explore, Explore, Explore*** - Not sure which medium is right for you? During this week, students will enjoy exploring and experimenting with a number of mediums including oil, acrylic, watercolor, pastels and colored pencil to see what inspires them!

***Painting Your World*** - Students will have fun building their skills in painting while focusing on the subject of landscapes! They will explore watercolor and acrylic paint on canvas to create their own realistic landscapes using techniques to create the illusion of space and color.

***Exploring Another World*** - Students will engage in a fun week of exploration and learning how to see the world around them! They will learn how to take amazing photographs of a variety of subjects with a phone's camera, iPad, DSLR, or a point & shoot. Students will create their own amazing projects during camp and learn about subjects and techniques to do on their own after camp!

***Drawing the World with a Creative Eye*** - Students will develop their artistic skills and creativity as they focus on seeing and studying shapes, colors, values, and lines in their everyday world. They will work on 2-dimensional projects using a variety of materials including colored pencil, pencil, chalk pastels, and oil pastels.

***Clay All the Way for Teens*** - Students will use coils, slabs and pinch pots to create sculptural and functional hand-built works of art! Varying underglaze techniques like sgraffito, washes, monotype and/or marbling clay will be explored. Note: The type of clay and techniques used to decorate work will require a longer drying time. Therefore, masterpieces will not be ready to take home at the end of the camp session; all items will be available for pickup two weeks after the last day of camp.
