Art is Visual Communication...the ability to show the world what we see, feel, and imagine in our own style! Artists are continuously practicing skills and mastering materials to develop our visual voice, so it is just as important to learn from the process of making something as it is from critiquing the finished product. I aim to help students find ideas that excite them, then plan and create in a way that brings out their voice and endless potential!

Throughout these 4-week sessions, students will learn and explore a combination of techniques in Printmaking, Painting, Photography, Drawing, and Sculpture. Each project will be personal, meaningful, and something to be proud to display!

Class Schedule:

- Session 1 – Tuesdays – January 5, 12, 19, 26
- Session 2 – Tuesdays - February 2, 9, 16, 23

Through daily discussions and hands on experience, students will learn about these elements and principles. Viewing and discussing other artists and their work supports the focus for each day.

Every day, students will practice incorporating what they learn to enrich and strengthen their own unique style. Please bring a completed painting to the first class to show as an example of your style.

Two studies will be painted, and one other painting begun and possibly finished in this class.

A list of supplies will be provided upon registration and payment for this class. Be prepared to bring your own paint, brushes, tools and mineral spirits. Also, please bring two 11 x 14 canvases, and one canvas the size you normally work on. Easels are provided.

Plein Air – Wayside Painters of Lake Norman

Mondays – 9:30 AM

Adults, all levels are welcome

The **Wayside Painters of Lake Norman** paint weekly on Mondays, weather permitting. The group consists of several artists in the Mooresville, Troutman, Statesville, Sherrill's Ford, Terrell, and Denver areas. We are loosely organized and have no officers, dues, committees, or by-laws – we simply focus on plein air painting. Currently about fifteen artists meet but we welcome all interested.

Locations around the northern part of Lake Norman are posted weekly and abilities range from beginners to experienced, with all media welcome. Individual members take turns suggesting sites, securing permission from landowners and providing directions.

Experience the excitement of painting in wonderful North Carolina. Paint landscapes, cityscapes, gardens, people, rusty vehicles, and so much more. Escape your studio. Express your creativity painting outdoors with like-minded artists.

Contact Leslie Davis if you are interested in more information: ldavisartist@gmail.com and label your subject "Waysides." You may also find us on the NCPAP site – North Carolina Plein Air Painters – under "Groups."
