Brookstone Schools in uptown Charlotte provides an excellent K-8 education for underserved students. Brookstone's mission, to spread the love of Christ to children and families, provides an atmosphere that nurtures the whole child, so the students thrive, rather than just survive! Brookstone's tagline, "Sowing Seeds of Wisdom," illustrates their mission to nurture a child in their formative years for a bright future.

Theme: "Nurturing Life"

We invite you to enter artwork that portrays the nurture of children or other living things--or shows an element of a nurturing environment. Any 2-dimensional medium will be accepted and all styles welcome, from the realistic to the abstract.

Juried: The competition is open to any artists residing in the Charlotte Metro region. About 35 works will be selected by Katharine Hidell Thomas and Rebecca Brooks of Hidell Brooks Gallery.

Deadline for Submission: August 15, 2022

The artist will receive notification by August 31, 2022.

Entry Fee: \$35 (100% of your entry fee goes to support Brookstone Schools!)

Exhibition Dates: Photos of the works will be displayed on an auction website from early September until the evening of the event. The artwork will then be displayed on October 6, 2022 during a reception in Charlotte (venue to be announced soon).
