Because of a generous donation from **Laurene, Rickher & Sorrell, P.C., Consulting Structural Engineers**, Mooresville Arts is thrilled to offer scholarships for the 2021 Summer Youth Art Camps and Teen Art Workshops. Each scholarship awarded includes full tuition for one week-long camp/workshop session in the summer of 2021.

If your family was hit hard by COVID-19 and you find you are unable to send your youth or teen to one of the summer art offerings, please consider applying for one of the scholarships. If you do not have a financial need for the scholarship, we ask that you allow those who are unable to send their youth/teen this opportunity to take advantage of these scholarships.

Please fill out this form or the online form <https://forms.gle/pJJeVif5fsXQcmaW6> to be considered (use additional pages as necessary). The MA Education Committee will award scholarships based on the youth/teen's interest and involvement in the arts as well as his/her potential for growth and development through the summer camp/workshop experience.
