

## President's Message

May 5, 2019

Hi gang!

I promise this is the last one today.

This is about fundraising and Club pins. For a \$10.00 donation get a club pin. They come in regular fashion with the pin that you stick through your clothing then lock it on with a metal tab. We have also removed the pin (point) on some and you can fasten it with a magnet as in the picture. Also in the picture is my club name badge. Some people like to affix their pin on the badge with tape that sticks on both sides, also in the picture.

Club badges can be ordered with a pin, if you let us know when you buy your membership (helpful if you have a pacemaker).

A new issue with club badges is that some folks have lost the magnetic bar that fastens it. Our supplier indicated that these magnets are not free as they are expensive. \$3 is the price which is our cost. To replace the whole badge is \$5.00.

Remember the Change Jar at the sign in table. It adds up and helps us buy small items that are needed.

Our bottle fund drive is still in full play. Our bottle money helps fund all our events and tournaments, pays for equipment etc., so please keep them coming.

Thanks, Charlie

Charlie Loiselle, President    780-710-7590    or    charlie.loiselle@shaw.ca
