Pumpkin Path

Walk around downtown Carlisle to see hundreds of decorated pumpkins displayed outside of 60 locations.

At night, these pumpkins create a glowing path on our sidewalks. Look up to see more pumpkins, as 104 lamp posts have been decorated for Halloweekend by Destination Carlisle.

Window Decorating Contest

Your spare change votes will decide the winner of our Halloweekend window contest. Look at all 46 participating locations and vote for your favorites using your spare coins.

The proceeds of our contest will benefit The Salvation Army's Stuart House Project and Destination Carlisle's events.

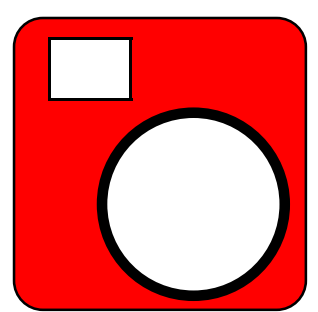

Photo Spots

We've created five photo sets in downtown for you and your family to take spooky photos during Halloweekend.

Take selfies or ask others to help you take a family photo and then you can take a group photo for them! Share your photos with us online by tagging us and using #DCHalloweekend!
