Coaching Packages

Results

Imagine getting it all together, staying on track and focused to make more progress than you have ever done before!

13 powerful sessions over 12 months.

Laser focused on you achieving your goal and dreams.

Every month, your coach will meet with you either in person or by phone to cover the personal growth subject for that month. This is where the program sets itself apart from all other coaching programs. This difference can be described in a single word – Substance!

Each coaching session begins with a review of your strategic plan to see how far you have progressed towards your goals that month. There will be a discussion about what you have done and what you need to do for the month ahead to stay on track.

A 200 page study guide comes with this program.

Results Coaching costs \$2995 +gst for the full 12 months.
