

# About Us

Founded and built in Central Pennsylvania in 2020 by original owners Dale, Glen, and Chris, Perfect Draw Cigar Lounge was the collaboration of three friends who wanted to share their love of the cigar and the culture that it lives in with others. In 2023, Perfect Draw Cigar Lounge was bought by the Rosen Family. The Rosen family also owns Ready2Go Trailers and focuses on bringing uniqueness to the Pittsburgh area. With Ready2Go already offering luxury restrooms, bars, and party trailers, they were looking for their next adventure. After a long day, they would all sit outside on the deck smoking cigars, that is when it was decided their next trailer had to be a mobile cigar lounge. After months of searching they found Perfect Draw Cigar Lounge and knew they had to have it. Cigar smoking is about relaxation, fellowship, and celebration; a true experience. As our love of the cigar has grown over the years, so has our interest in pairing it with special events that you are sharing with friends and family. Since a cigar shop usually isn't next door to the event you are attending or hosting, we became determined to bring it to you while you are there. Not only do we bring and sell cigars, but we also facilitate a complete experience that ignites your senses, enhances your time together, and helps create memories. There is absolutely nothing better than having a favorite drink and pairing it with a cigar that marries them both together, helping to bring out the complex flavors and notes of each. As our passion grew for the artistry of premium, quality cigars and the many varieties to fit all tastes, so did our enthusiasm to help others learn more and experience the togetherness that smoking brings. As certified tobacconists, we offer you a professional commitment to bring a fun, memorable experience, a better understanding of cigars, and a place to relax and celebrate in our unique mobile cigar lounge. We truly look forward to meeting you and helping you bring something different, special, and exciting to your next event. It is our pleasure to share time with you and learn more about your story over a great cigar!
