About Our Company

Export & International Trade

Kandiel Enterprise is a one-stop firm that provides its clients with a complete package service to source off shore. Our mission is to be the right partner for your business needs, no matter how complex.

At Kandiel, we understand that finding the right products, ensuring their quality, and managing international logistics are all critical components to achieving business excellence. That's why we strive to provide the highest quality service, through our fully integrated service package.

We go above and beyond to ensure our clients get the best quality product within their budget, and to the highest standards. We use our experience and expertise to guarantee product quality with certificates and more.

We take great pride in providing our clients with the best solutions to their business needs. With our commitment to excellence, we are your vendor of today and your strategic partner of the future.

About Our Home Textile Brand

Towely

Our brand offers a set of Home Textile made of the best and most prestigious Egyptian cotton quality.

We are using Egyptian Cotton in our production process for its well-known advantages such as softness, long staple threads, unbeatable durability and absorption.

Our Products Features

01

High Quality Cotton

Our producers are using the finest quality of Egyptian Cotton known by its extra-long fibers which are renowned for their strength, elegant softness, and durability.

02

Customized Products

Our products are fully customized starting from the material until design, color and size.

03

Anti-Bacterial & Anti-Odour

Our products are perfectly made to inhibit the growth of bacteria. It kills up to 70% of odour.

Our Product Types

Bath & Home Robes

Our bath & home robes are luxurious, comfortable, and made from high-quality materials.

Hand & Face Towels

Our hand & face towels features a wide range of premium-quality towels, designed to be soft and gentle on the skin.

Bed Linens
