WELCOME TO OUR COMPANY

At Kandiel Enterprise, we believe that the future of global trade for Egypt is rooted in our strategic location and local quality products. We strive to create a far-reaching global footprint of Made-in-Egypt products that provides economic and social benefits to our partners and clients and creates new opportunities for growth.

Our passion and drive are rooted in the inspiration of our chairman and cofounder, whose 40+ years of experience in the textile industry has paved the way for us to create something extraordinary. Moreover, our founder's vast knowledge and experience in research, data science, and business consultancy, combined with Egypt's 2030 Economic Vision, has allowed us to shape the future of international trade.

STAKE HOLDERS STATEMENT

Egyptian exports, the gateway to international success, through our commitment to innovation, quality, and service, we are proud to be a leader in pushing the boundaries and pushing for a brighter tomorrow building a global footprint for Egyptian Exports.

- Youssef Kandiel, The Founder

MISSION & VISION

Mission

We strive to use our experience, knowledge, and creative leadership to create a world-class experience for our clients and partners. We are passionate about showcasing the excellence of Egyptian-made products to the global market.

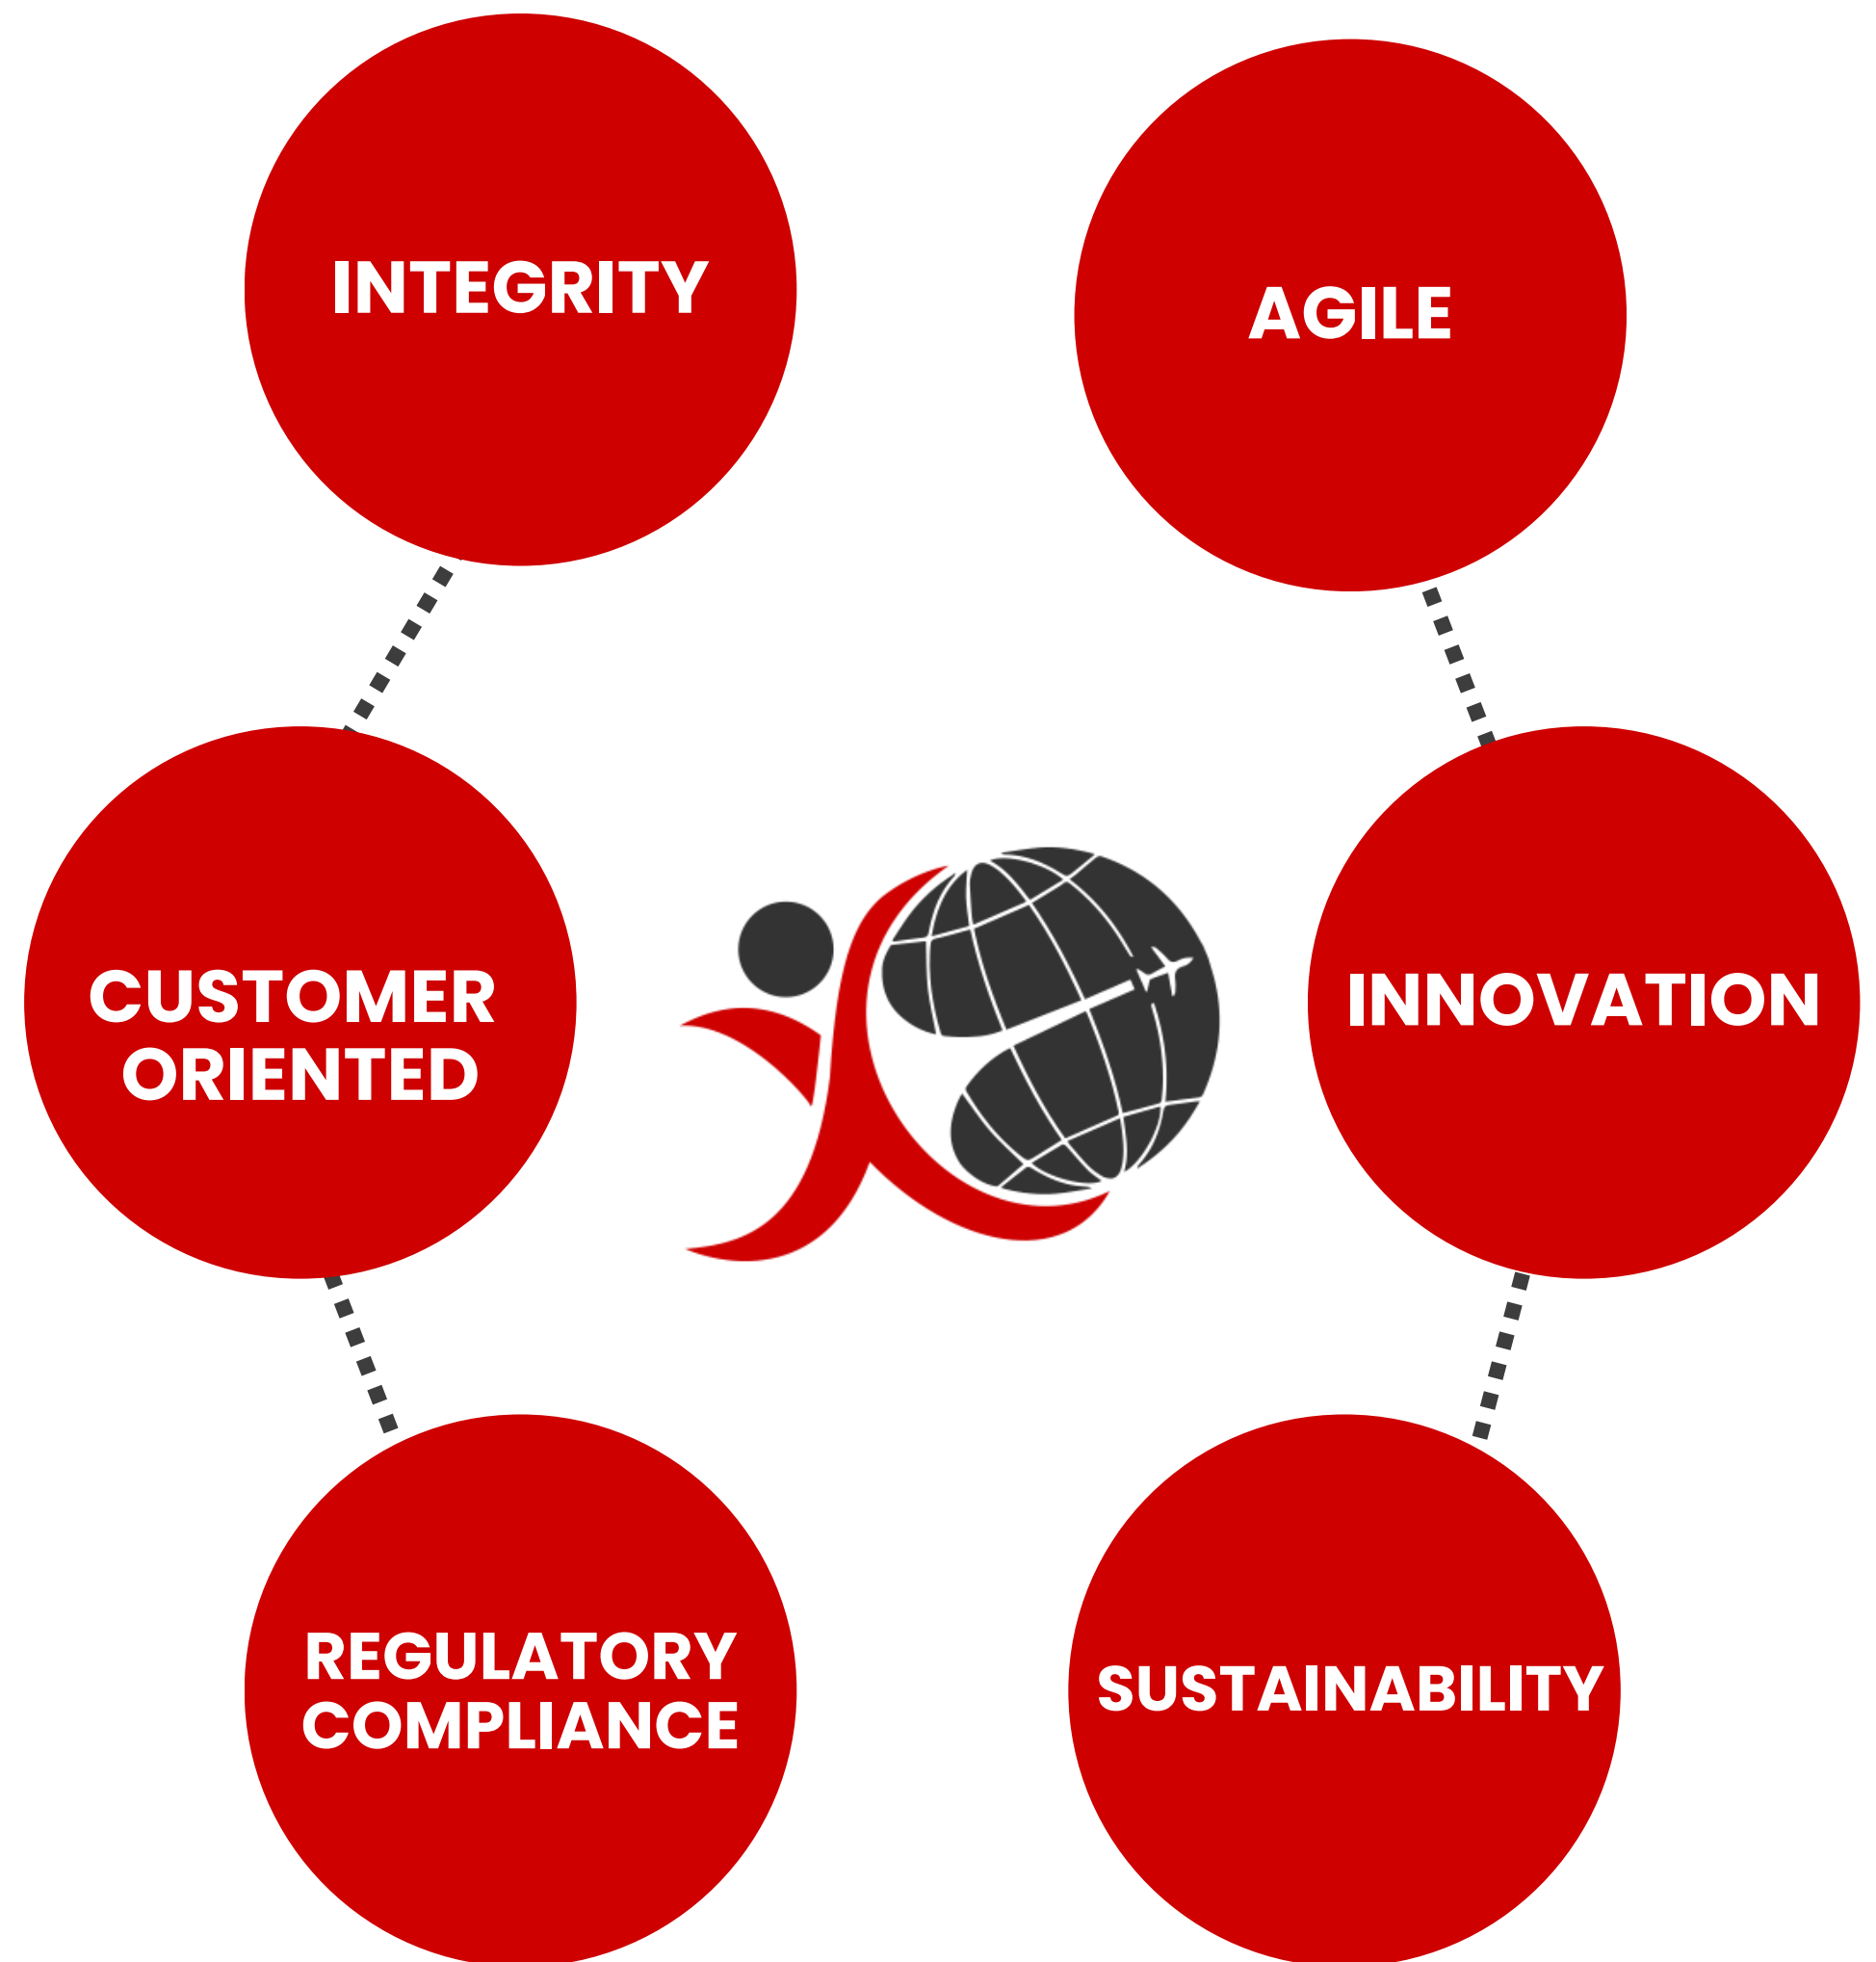

By promoting Egyptian textile, agriculture products, and more, we aim to not only increase the competitiveness of Egyptian industries but also contribute to the growth of the country's economy.

Vision

Our commitment to the Egyptian Vision of 2030 is reflected in our business practices. We work closely with local manufacturers and suppliers, empowering them to produce top-notch products that meet international standards. In doing so, we are supporting the government's efforts to enhance the country's position in the global market.

OUR COMPANY VALUES

Our company is guided by a set of core values that shape our culture, decisions, and interactions with our people, clients and partners.

SOURCING & INTERNATIONAL TRADE

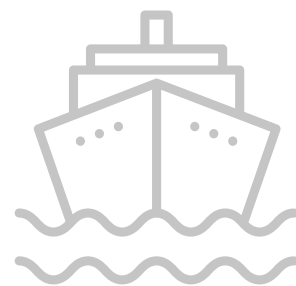

Kandiel Enterprise is a one-stop firm that provides its clients with a complete package service to source off shore. Our mission is to be the right partner for your business needs, no matter how complex.

At Kandiel, we understand that finding the right products, ensuring their quality, and managing international logistics are all critical components to achieving business excellence. That's why we strive to provide the highest quality service, through our fully integrated service package.

We go above and beyond to ensure our clients get the best quality product within their budget, and to the highest standards. We use our experience and expertise to guarantee product quality with certificates and more.

We take great pride in providing our clients with the best solutions to their business needs. With our commitment to excellence, we are your vendor of today and your strategic partner of the future.

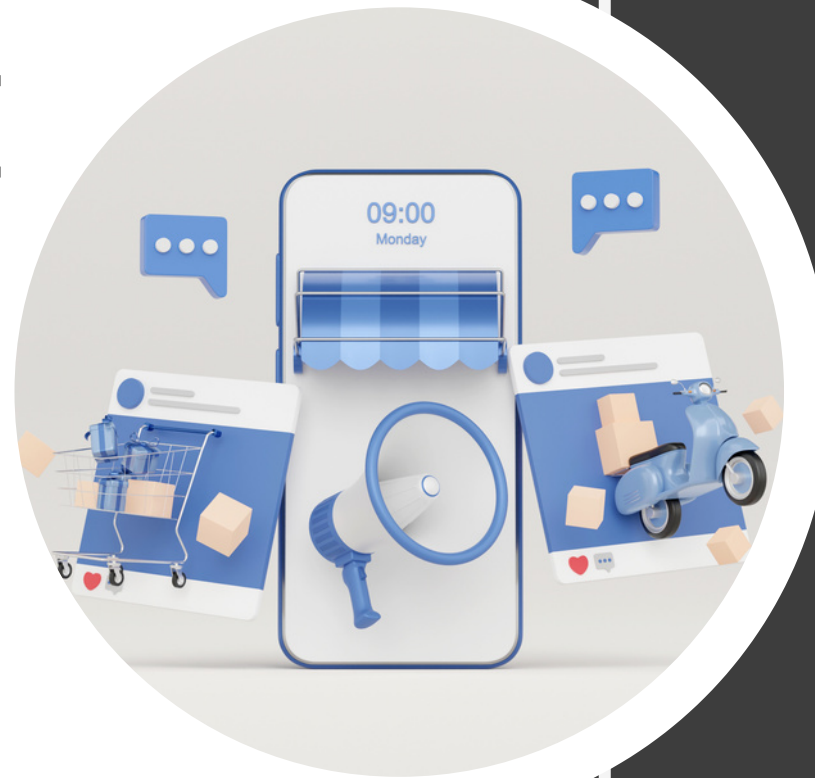

A SNAPSHOT ON OUR PRODUCTS

We are exporters that specialize in providing high-quality goods and commodities to customers and businesses around the world. Our product line includes a wide range of manufactured products, agricultural products, raw materials, and consumer goods.

E-COMMERCE, DOMESTIC TRADE & DISTRIBUTION

Kandiel Enterprise has been a distributor of home textile products made of the highest quality since its inception. Our goal is to bring international quality to the Egyptian home textile market, while still using the renowned Egyptian Cotton. We pride ourselves in offering our clients the opportunity to customize their products to meet their budget goals, while still achieving the perfect match to their brand.

Recently, we were excited to launch our own brand, **Towely**, which is now available to retail customers through our social media pages and multinational E-commerce partners. We are committed to delivering quality products that meet the highest standards, while still offering competitive prices.

At Kandiel Enterprise, we strive to ensure that our clients receive the best home textile products at an affordable price. We are proud to be part of the Egyptian home textile market and look forward to continuing to deliver quality products for years to come.

FOUNDER & MANAGING DIRECTOR

Youssef Kandiel

Founder and CEO

The Founder & CEO of Kandiel Enterprise LLC is a highly accomplished individual with a diverse range of experiences and expertise. As a University Teacher, International Researcher, and Executive Director, he has gained a wealth of knowledge in both the academic and business fields.

With a master's degree in Petroleum Geoscience and a Ph.D. in progress, the Founder & CEO has a deep understanding of the petroleum industry. Additionally, he has acquired several business courses in Strategy, Marketing, Data Science, and Financial for Non-Financial Executives, which has contributed to his success in leading Kandiel Enterprise LLC towards growth and success.

The Founder & CEO's work in diverse and remote areas has also impacted his understanding of teamwork, leadership, data collection, and blending in with the culture and the diversified environment. He has utilized these skills to lead Kandiel Enterprise LLC towards success, driving the company forward and expanding its reach.

CHAIRMAN & CONSULTANT

Eng. Elsayed Kandiel

Co-founder and Chairman

Our chairman has over 45 years of experience in the textile industry. He has an in-depth understanding of the industry's complexities, challenges, and opportunities as a result of his solid career and engineering background. He has held a variety of technical and leadership positions in a number of well-known textile companies, the most recent of which was Giza Spinning & Weaving Co. He successfully led the operation to profitability and growth by inventing new cotton blends, designing, and implementing quality control for international standards, and implementing a lean manufacturing strategy.

Notably, our chairman's consultancy services can benefit other businesses seeking to thrive in the textile industry. His vast knowledge and insights can provide valuable guidance on improving operations, expanding reach, and navigating market dynamics. With his contributions, businesses can unlock new opportunities, drive growth, and achieve their objectives.
