

EVERY CONVERSATION MATTERS

One simple training. Big impact for your community.

Tobacco use is still the leading cause of preventable death. But every conversation, no matter how brief, can help a patient take the first step toward quitting.

FOR EVERY TEAM MEMBER

Complete this training and receive:

- ★ Certificate of Completion
- ★ \$20 gift card

FOR THE WHOLE TEAM

*For staff that complete the training,
Nor Cal 4 Health will provide:*

- ★ A Lunch Celebration

The **Rx for Change** program gives your staff the tools and confidence to help patients quit tobacco through short, meaningful conversations integrated into everyday care.

- *Evidence based*
- *Easy to implement*
- *Quick, no-cost training modules*
