2026 RODEO NEWS & SCHEDULE OF EVENTS

Welcome to the 2026 Southern Oklahoma Senior Rodeo!

The 2026 Rodeo season is quickly approaching. The Officers and Board of Directors have met and been working hard behind the scenes in efforts to make this season great! There are some changes for the upcoming season; it is important that you review the rulebook and familiarize yourself with these changes.

It is the responsibility of all members to help obtain sponsorships; this is a volunteer ran organization; your help is needed to reach potential sponsors in your area; it takes teamwork to have a successful season and finals. Any member that secures \$400 or more in sponsorships will be refunded membership fees.

We have a new website, www.oksrarodeo.com and Face book page, [Southern Oklahoma Senior Rodeo LTD](#) to check for updates, information, points, and results.

We appreciate everyone who has welcomed the OKSRA to their facilities.

Our kick-off rodeo will be at Bill Sharber's arena in Konawa, April 11th & 12th, we look forward to seeing everyone there and we are in hopes of meeting new members as well. A Professional Choice Custom headstall to be awarded to High Point Winner of the weekend per event.

May 9th at Kingfisher will be a one day/double header rodeo. Exhibitions will

start at 9:00 a.m. (max 45 exhibitions) Rodeo will start at 10:00 a.m.

If you have any questions, please contact your Executive Board or event directors.

Dress code in effect; boots, long sleeve shirt or a short sleeved collared shirt (with exception the finals MUST where long sleeve collared shirt), cowboy hat. Ribbon runners are only exception.

Please get membership mailed prior to the first rodeo. This will be a great help, so our first rodeo starts off smoothly.

PRE_ENTRIES

WE will be implementing PRE-Entries so we can communicate with our stock contractor. There will be a late entry fee of \$10/performance.

Pre-Entries will be taken two ways ONLY:

Text or email Monday – Wednesday prior to performance.

If you need to visit with the Secretary, call between 6 and 9pm, as she works and will not be able to answer during the day.

* No points will be accumulated for year-end awards at finals until membership is paid in full.

Entry fees must be paid before performance starts to participate. **Draw out time is 24 hours PRIOR to rodeo.**

Bret Meeks will be the stock contractor for the 2026 season.
