ACCOMODATIONS

Includes lodging in our specially designed kennels suited to your pet's comfort and feedings with Science Diet Sensitive Stomach or owner-provided food. Fresh water will be available at all times. Your pet's quarters will be cleaned and sanitized daily. Unsupervised exercise will be provided twice a day in our outdoor fenced in yards. Our fence is a wooden six foot privacy fence for your pet's safety. Weekends and holidays your pet is taken care of twice a day by our staff. Your pet is left unsupervised with no staff member on site after hours, but your dog is our first priority when we arrive in the morning. Additional packages are available for your dog, please note, packages are subject to availability and weather conditions.

If ticks are discovered a tick bath and Advantix are required at an additional cost to the owner. _____ (*INITIAL*)

MEDICAL FEES: Our aim is to keep your pet CLEAN, HEALTHY, and HAPPY while he/she is boarding with us. For this reason, if your pet gets sick while boarding with us, we will treat your pet. You will be responsible for all medical cost incurred. Before any major medical treatment, we will make every attempt to reach you by the number provided. If we cannot reach you, we will do what is best for your pet. _____ (*INITIAL*)

INHERENT CONDITIONS: Occasionally pets may develop problems from environmental and dietary changes. Signs may include: vomiting, diarrhea, coughing, sneezing, and self-trauma such as scratching or biting of the skin. We take great care so that these problems won’t occur and if so we treat them promptly. However, please be aware and understand that these conditions can develop during or immediately after boarding, and the hospital is not financially responsible for these inherent conditions if they occur. _____ (*INITIAL*)
