

# MARCH 2022

## Updates and Tips

### STAFF UPDATE

This month we welcome Kelli Preddy as the new Billing Specialist!

Kelli has lived in Waldport for 7 ½ years. She's excited to serve her fellow community members, so please join us in welcoming her aboard!

You may have gotten familiar with Emily over the past 6 months, but the leprechauns have come and taken her away from us! She'll be following them over the rainbow in search of her own pot of gold. Happy Saint Patrick's Day!

### CONSERVATION TIP OF THE MONTH

Already planning your vegetable garden, but concerned about the spike in your water bill? We've got some tips below!

Put a nozzle on your garden hose! Use a shutoff or pressure nozzle so you only use what you need when you're watering plants, cleaning the house, or washing the car.

Increase your efficiency by watering your garden in the morning or at night to reduce evaporation.

### UTILITY ASSISTANCE PROGRAM

Your PUD is registered with the **Community Services Consortium**. Their program provides services to meet basic needs and help build stability in the lives of community members.

If you're having trouble making payments on your water bill, you may be eligible for assistance.

You can schedule an appointment through the automated phone system: 541-265-3293 or you can fill out an application online at [www.communityservices.us/utility-assistance/](http://www.communityservices.us/utility-assistance/)
