

MAY 2022

BOARD AND COMMITTEE MEETINGS

The PUD's annual Budget Committee Meeting will be held on Wednesday, May 18th, at 10:30 am, at the District Office.

The regularly scheduled Board of Directors Meeting will be post-poned to Wednesday, May 25th at 10am.

WATER TREATMENT PLANT

This summer, we will begin rehabilitating the Blodgett Water Treatment Plant! The rehabilitation will include filtration media replacement and modernizing the operating and control system, essentially giving the treatment a new brain and new guts!

Aside from the operating benefits, the control system upgrade will have cyber security features. These improvements will ensure we continue to provide superior quality water!

LATE FEES AND SHUT-OFFS

Late fees will be returning, so here is a brief outline of our billing rules and regulations:

If you do not make a payment or contact after 60 days, you will receive a Door Hanger.

The Door Hanger is a 2-week warning for shut-off due to non-payment.

SWLCWPUD defines Water Shut-Off as:

-74 days of non-payment (2 billing cycles plus 2 weeks)

-Water is **off** but BILLING CONTINUES

(daily base rate and bond surcharge if applicable)

-Water remains off until all unpaid charges and turn-on fee, are paid.

Water turn-on fee is \$40

****If you are having trouble paying your bill, please contact us for assistance. We know times are tough, and we are willing to create payment plans with our customers.

THE PUD WILL BE CLOSED MONDAY MAY 30TH FOR MEMORIAL DAY.

THANK YOU, VETERANS, FOR YOUR SERVICE
