## **RESOLUTION 25-04**

### **SDC METHODOLOGY**

Whereas, it is necessary to modify the current System Development Charges Methodology, because the District has seen an increase in growth and development,

Whereas, the System Development Charges cover the expenses incurred for existing and planned infrastructure needed to serve the development,

NOW, THEREFORE, BE IT RESOLVED the Board of Directors approve the System Development Charges Methodology prepared by Civil West Engineering Services from November 2023.

Approved September 17, 2024
