Making a Reservation

TSC Transportation does scheduling in advance, it is not a last minute or emergency transportation service. We do not transport to the emergency room, call 911. You will need to call with 48 hours minimum advanced notice to schedule a ride. The direct transportation phone number is 719-687-0256. You will have a better chance to schedule a ride by calling at least 1 week ahead. Appointments in Colorado Springs should be scheduled with your provider no earlier than 10:00 AM and no later than 2:00 PM. Appointments in Woodland Park should be scheduled with your provider no earlier than 9:00 AM and no later than 3:00 PM. Transportation on Monday must be scheduled by 3:00 on Thursday. Trips are scheduled on a "first come first served" basis with priority given to medical appointments. Next day and same day rides are not available.

By reserving trips early, you will have the best chance of scheduling a ride at your preferred time. If you do not have a specific time you must be at your destination (grocery shopping, bank, etc.), the dispatcher can assist you in picking times when we have the greatest availability.

Scheduling your trip

Please be prepared to give the dispatcher the following information:

- Your name, pickup address and phone number
- The date of your requested ride and the time you want to arrive
- The complete address of your destination; doctor's name, suite and phone number
- Your return time and return address
- If a personal care attendant or companion will accompany you
- If you will be using a wheelchair or other mobility device

Confirming Your Reservation

When you call and request a trip, the dispatcher will confirm your trip with you. Before ending the call, make sure that all personal information: address and telephone number are correct and review the times and addresses of your trips with the dispatcher to ensure all information is correct.

Subscription Service

Subscription service is provided to clients who request routine trips to the same destination on a regular schedule (senior center or shopping). Clients only need to call once to schedule a repeating trip. Clients must still call and notify dispatch of any cancellations or changes to their subscription trips.

Clients having three (3) cancellation/no shows within sixty (60) calendar days will be dropped from subscription service and placed on a waiting list to return to service.

How to Ride

The driver will arrive at your specified pick up location at the agreed upon time and take you to your destination. **Please be ready to go 30 minutes prior to your scheduled pickup time.** Drivers will wait for five (5) minutes after they arrive within a client's scheduled pick up window. If the client is not ready within the five (5) minutes the driver must depart to serve other clients, and you will be recorded as a No Show. *See below for NO Show Policy.

If you need assistance, the driver will help you to the vehicle. Once at your destination the driver will assist you, if requested, into your appointment. The driver will not assist in shopping.

If you need more assistance than our drivers are able to provide, you may arrange to have a companion/personal care provider ride with you in the vehicle.

Once you are ready to return home, you will call the dispatch office 719-687-0256 or the driver (driver will provide their phone number) and notify them that you are ready to go home. The driver will return as quickly as they are able to, usually within one hour of the time you call the dispatch office or driver.

Fares

No fare is collected from seniors or low income clients but donations are always appreciated. Teller Senior Coalition received a Title III grant through Pikes Peak Area Council of Governments to provide

transportation to individuals in Teller County age 60 and older. The Title III grant pays a portion of the cost for the services. If resources are not available to serve all eligible older adults who request the services, preference and priority are given to those eligible person of greatest social and economic need with particular attention to low-income older adults and older adults residing in rural areas.

Donations can be made in the vehicle into a locked fare box, or you can send a check by mail to P.O. Box 6956, Woodland Park, CO 80866. Transportation will never be denied due to the client's reluctance or inability to donate.

The general public is charged \$1.00/day for the fixed bus route.

Cancellation/No Shows

Please contact the dispatch office at 719-687-0256, you need to cancel your ride with a 48 hour notice. This applies for return trips as well. If you decide to take an alternative ride home, please let us know.

No Shows are defined as a trip where the driver arrives at your requested location and time, and you were not present, were not ready, or refused the ride. Cancellations require a 48 hour notice. The No Show/Cancellation policy is as follows:
