### Lit The Light - Genesys : CSR Project

#### MAKE A WISH PROJECT

Lit the Light Trust along with Genesys organized a welfare event and distributed educational aids for special school students of I.E.L.C School for the Blind at Bargur, Krishnagiri, Tamilnadu. The school children belong to low economic background, and their parents are daily wagers from rural areas whose survival is very challenging in this current COVID-19 situation. The school management had requested educational kits and essential things which includes a braille Kit (Geometry kit, Braille paper, Taylor's frame – Algebraic and Arithmetic type), uniform sets, school bags, bed sheets, and bath towels to be used during the academic session. After proper verification and school visits with proper permission, our team decided to support them.

On 6th December, team Lit the Light along with school management handed over materials to students along with their parents, this was done through Genesys – Make a wish CSR Project, we were able to support and fulfill the requirement. Students and parents were very happy and also was thankful for the timely help by Lit the Light trust, we received Rs.49,700/- from Genesys CSR- Make a wish. Lit the Light Trust would like to thank Genesys CSR Team for extending their support and I.E.L.C School management for appreciating and accepting the materials provided. We are also expecting more support to help the needy in the future event.
