

BAYOU STATE FOOTBALL ASSOCIATION

2019 Sponsorship Form

Bayou State Football Association is a non-profit 501c3 youth football league that provides youth football and cheer opportunities to our communities. BSFA's focus is to unite youth across the greater Northshore area, from St. Tammany to Tangipahoa to allow for there to be a long term, stable place for the sport of football to thrive. One of the main goals is to allow entry into this league at no additional cost to the parks, so that we can be inclusive to as many children as possible. To date we have managed to operate exclusively on donations from local companies. Any support you can provide would be greatly appreciated, and would re-enforce the one thing all Louisianans love...FOOTBALL!

Donations used for: Referees, Park officials (newly created to oversee conduct at park), Field fees for championship and jamboree, insurance, operating fees, etc. Financials available upon request.
