

PELICAN COVE EMERGENCY MANAGEMENT

The two Pelican Cove Condominium Associations have developed an Emergency Management Plan in order to help protect your property and all residents in the event of an emergency. As part of this Plan, we have subscribed to an emergency notification system to communicate with owners and renters/guests before, during, and after an emergency. The system is capable of providing emergency notifications by phone message, text messaging, and/or email messages. The Property Manager, under the direction of the Board(s) of Directors, will provide messages during emergencies like flood, fire, hurricane, or other emergency conditions.

It is imperative that current owner and renter/guest information is provided to the Property Manager in order to facilitate communications during an emergency situation. Please fill out the attached Emergency Notification Information and return it to the Property Manager. This information will only be used for Emergency Communications. Please indicate on the form your preferred contact method(s); email, SMS text message, and/or voice message. Also, you must provide this information for each and every renter or guest so that we can notify every resident at Pelican Cove in the case of an emergency. Any special needs should also be noted on the contact sheet.

In addition, all owners and residents are encouraged to sign up for Citrus County Sheriff notifications.

To sign up for Citrus Alerts – visit

and click on 'Sign Up for Alert Citrus'.

You can mail the Information Sheet to:

Property Manager
10986 West Cove Harbor Drive .
Crystal River, Florida 34428

Or scan it and send it to:- info@property-managementgroup.com

Alternatively, you can drop the sheet off at the Clubhouse or give it to any Board Member.
