

All Metal Stamping, Inc.

More Than Metal

since 1956

More than a Company... a FAMILY

For over 5 decades, All Metal Stamping has been family-owned and thriving as a small business.

Today we can say we've retained many employees for more than 25 years.

More than Products... SOLUTIONS

Our passion for **Innovation** and expertise in **Automation** drive our ability to fulfill unique project needs, to explore multiple paths to a solution for our customers. This ability grows the industry, enriches our workplace culture, and helps **YOU** do more.

There's no end to automation.

-Jack LaSee, CEO

More than a Commodity

Did you know our **Secure Glide Hinge** performs successfully with sash weights up to 180 lbs? Yes, after perfecting casement and awning hinges, we didn't stop there.

In a market often crowded by commodity, this is one way we stand out.

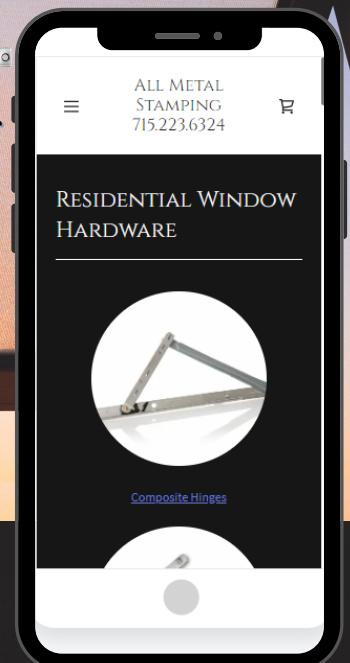

On-Time Delivery
Efficient Quoting

Competitive Pricing
Uncompromising Quality

GET MORE. GO EXPLORE.

Our recently renovated website showcases our entire Window Hardware selection, including our Glide Series for heavier sash weights!
