We are forming a new volunteer **Safety and Security Parish Ministry** with the mission of providing a safe environment so our Parish community may worship in peace. The ministry follows a long tradition of faithful Catholics acting as vigilant "doorkeepers" or "Porters" to defend and protect the Parish. Members of the Safety and Security Ministry will monitor church entrances and respond to medical or safety emergencies.
Do you have law enforcement, military, security, medical experience, or the desire to serve our Lord? Then the Safety and Security Ministry needs you! We are currently developing policies and standards in accordance with Diocesan guidelines and national best practices.

Kickoff foundational meeting: *Tuesday, November 17* at 6:30pm - 8:00pm in the Chapel Meeting Room. Come equiped to engage and support this important new ministry!
Please contact Melissa to RSVP and receive training requirements.
All interested must be a registered, practicing member of Saint Olaf Parish, 18+, participate in Safe Environment Training, undergo a background check, commit to attendance at regularly-scheduled security briefings, participate in a rotating schedule with fellow ministry members, and will serve with permission from Father.
