COMPANY INTRODUCTION

➔ OUR EFFORTS

During these years, we have been devoted to R&D and sales of international, high quality engineering hardware, bringing the latest trends, technologies and concepts to modern life. Strong European design concepts, unique technical details have resulted in trendy and noble engineering hardware that can be seen everywhere in life.

➔ OUR STRENGTHS

With the Quality, management, service and development, we have always been striving for innovation, constant improvement and perfection in the market competition.

➔ OUR TEAM

Relying on outstanding talents, advanced technical facilities and perfect quality management system, we have brought every product based on constant innovation in function, extremely modern design and excellent practicality.

➔ OUR VISION

Looking into the future, we will continue to take market as guide, introduce in new technologies and develop new products.

➔ OUR GOAL

M. M Traders are ready to keep pace with the time, and create a wonderful future together with people of all circles.

➔ OUR SUPPORT

With the strategy of your cooperation, combining the force of different circles of the society, we will go all out to build a first-class enterprise.

STERLING SIDE INDIA LLP.

A PRODUCT OF MMT

VALUABLE CLIENTS...

First of all thank you very much for giving us an opportunity to serve you.

Terms & Condition:

1. We would like to inform our clients that whenever our clients purchase goods from our company, on G.S.T bases, as prescribed in the H.S.N. code list issued by the government. We request our clients to acknowledge us with any discrepancies within 1 month of the purchased goods due to the filing of G.S.T return. So it is kindly advisable to send us any problem or query within the stipulated time period.
2. The credit facilities given to our valuable clients is addition to our services. Our clients are requested not to misuse this facility and send us payment on time as per time schedule and time bound. If you are failed to pay us as per time schedule in that case company has a rights to stop your dispatch.
