

## ADDENDUM NO. 1

**Project:** Pre- Engineered Metal Building for Wyoming State Hospital  
**RFB# 26-0613**

**Date:** 2/18/26

**Project:** Pre- Engineered Metal Building

**Owner:** Wyoming State Hospital

**State Project Representative:** Nate Miller/Project Manager  
(307) 431-7905

Except as described below, the original bid documents remain unchanged. The bid documents are modified, clarified and/or amended as follows:

### ATTACHMENTS

1. Substitution Request Form

### QUESTIONS/ANSWERS

Q1. We would like to get approval to use a building manufacturer not listed in the specifications, is there a substitution form to use?

Answer: Yes, a Substitution Request form will be added to the bidding web page per Addendum 1. Please submit any substitution requests to the Project Manager via email: [nate.miller@wyo.gov](mailto:nate.miller@wyo.gov)

Q2. In spec section 133419 the design load values do not match the design loads in the Structural Drawings, assume Structural is correct.

Answer: Loading listed on sheet S-200 is to be used.

Q3. In spec section 133419 2.01 B. Insulation, it calls out for Thermal Design - Simple Saver System, Section 2.05 A calls out vinyl backed insulation, please confirm that the Simple Saver is correct.

Answer: The Simple Saver System or approved equal is to be used.

Q4. In spec section 133419 2.04 A calls for 24-gauge Ribbed Roof Panels, section 2.07 calls for Standing Seam Roof Panels, please confirm which is correct.

Answer: 24-gauge Ribbed Roof Panels is correct.

Note: This Addendum is considered part of the Contract Documents for this project, and where the provisions of the following differ from those of the original, this addendum shall take precedence. Bidders shall acknowledge receipt of this addendum on the Bid Form and therefore accept responsibility for forwarding pertinent information to suppliers and subcontractors.

**End of Addendum No. 1**

## SUBSTITUTION REQUEST (During the Bidding Phase)

---

A bidder may submit a Substitution Request that identifies how the proposed substitution is comparable and substantially the same level of quality, or better, as the specified item. Only substituted items approved equal by the Procuring Agency will be allowed to be bid. Substitution Request must be submitted through the Public Purchase online bidding system no later than the deadline for submission of questions and clarifications. Requests for substitutions must comply with the Construction Documents.

It is the bidder's sole responsibility to provide all necessary information to meet the requirements above.

The Procuring Agency's determination of the acceptance of a substitution request shall be final. If a substitution request is denied, bidders are encouraged to propose with approved specifications materials.

**The Undersigned Certifies:**

1. Proposed substitution has been fully investigated and determined to be equal or superior in all respects to the specified product.
2. The same warranties will be furnished for the proposed substitution as for the specified product.
3. Maintenance service and source of replacement parts, as applicable, are available.
4. Proposed substitution will have no adverse effect on other trades and will not affect or delay the progress schedule.
5. Claims for additional costs related to accepted substitution, which may subsequently become apparent, are to be waived.
6. Proposed substitution does not affect dimensions and functional clearances.
7. Payment, which may subsequently become apparent, will be made for changes to building design, including A/E design, detailing, and construction costs caused by the substitution.
8. Coordination, installation, and changes in the Work as necessary for accepted substitution will be completed in all respects, without additional cost to the Owner.
