This Contract is between you and us and applies only to the Boat and/or Engine(s) as identified on the Registration Page associated with this Coverage Booklet and only if you have paid the Total Purchase Price to obtain the Coverage selected. You may contact us by mail at P.O. Box 790 Deerfield, IL 60015-0790, or by phone at 800-323-5771. This Contract was issued through a service contract program under which the Seller has discretion to establish selling prices which the Seller reports to us.

A. Definitions

The following definitions apply to this Contract along with definitions appearing elsewhere in this Contract. The Registration Page contains boxes with capitalized terms. When any of those terms appear in this Coverage Booklet, they refer to the specific Boat and/or Engine(s), person, date or other item that has been entered into the associated box on the Registration Page.

Covered Part(s) means one or more of the parts or components identified as subject to coverage in Section E (Coverage) for the Coverage selected and not specifically excluded in Section H (Exclusions and Other Coverage Limitations).

Covered Repair means the repair or replacement of one or more Covered Parts for which we have a reimbursement obligation greater than zero dollars under this Contract.

Mechanical Breakdown means the failure of one or more parts to perform the function for which they were designed due to defects, faulty workmanship in the manufacturing process, or normal wear and tear.

Registration Page means the numbered page, which is the first part of this Contract containing information about this Contract, you and the Boat and Engine(s).

Repair Facility means any licensed repair facility operated by the Seller or an independent provider.

Road Hazard means a condition on a public highway or roadway while driving in a legal manner which should not exist, such as potholes, rocks, nails, metal components, wood debris, plastic, glass and other objects, or any item causing tire and/or wheel damage other than normal wear and tear and collision such as a cut, snag, bruise, tear or puncture.

You and **your** refer to the Contract Holder(s) as named on the Registration Page or the person(s) to whom this Contract was properly transferred.

We, us and **our** refer to the administrator, service provider and obligor.

B. When Coverage Begins and Ends

Coverage under this Contract begins at 12:01 AM (your local time) on the Contract Purchase Date and ends when the Contract expires or is cancelled under the provisions of Section L (Contract Cancellation). Contract expiration varies by Plan and is determined by adding the Term Months indicated on the Registration Page to the appropriate measurement date for your Plan, as described below.

New Plan: This Contract expires as soon as Term Months are exceeded as measured from the Manufacturer's Warranty Start Date. Example: If you purchase a 60 month New Plan, this Contract will expire 60 months after the Manufacturer's Warranty Start Date.

Pre-owned Plan, Post Sale Plan and Renewal Plan: This Contract expires as soon as the Term Months are exceeded as measured from the Contract Purchase Date. Example: If you purchase a 36 month Pre-Owned, Post Sale or Renewal Plan, this Contract will expire 36 months from the Contract Purchase Date.

C. Deductible

Each time there is a Covered Repair, you must pay the amount of the Deductible. The Deductible will be reduced by fifty percent (50%) whenever the Seller performs a Covered Repair. If you select another Repair Facility, you must pay the full Deductible. If no Deductible is indicated on the Registration Page, your Deductible will be \$100. The Deductible does not apply to the additional benefits described in Section G (Additional Benefits).

D. Your Responsibilities

You must obtain preauthorization from us before any repairs are made to the Boat and/or Engine(s). You have the responsibility to properly maintain the Boat and/or Engine(s) as recommended by the manufacturer, to follow the manufacturer's storage recommendations when the Boat and/or Engine(s) are stored for six months or more at a time, to reasonably protect the Boat and/or Engine(s) from further damage when one or more parts fail, to maintain records of routine Boat and/or Engine(s) maintenance performed by you or others, to follow the procedures for reporting a Mechanical Breakdown claim or requesting additional benefits as described in this Contract, and to cooperate fully with our reasonable requests to examine maintenance records, inspect the Boat and/or Engine(s), or establish ownership of the Boat and/or Engine(s) in the event you report a Mechanical Breakdown claim or request additional benefits. Maintenance records generally include a detailed log of maintenance you perform and receipts for purchases of services provided by others and parts and supplies used by you or others in performing maintenance services. You must use only manufacturer recommended oils, filters, additives, grease and proper octane rated fuel and ethanol blends.

E. Coverage

Subject to the Deductible and other provisions of this Contract, we will reimburse you or the Repair Facility, as applicable, for the pre-authorized cost to repair or replace a Covered Part if the repair or replacement is required as a result of a Mechanical Breakdown occurring and reported to us after Coverage begins and before this Contract expires or is cancelled. We are entitled to apply the following limits and restrictions to our preauthorization and reimbursement decisions:

- 1. The replaced parts will, at our option, be remanufactured, used or new parts of like kind and quality compatible with the original design specifications and wear tolerances of the Boat and/or Engine(s).**
2. We will not pay for expenses that exceed the manufacturer's suggested retail price or the Repair Facility's posted hourly labor rate multiplied by the appropriate operation time, as published in a nationally-recognized labor time guide.
3. We will not reimburse you for a Mechanical Breakdown that is covered under this Contract if it is also covered by a third party's warranty, insurance policy or service contract, regardless of whether the third party honors its coverage obligation. We will, however, pay up to \$100 of any third party deductible you must pay and the excess over such third party coverage.

We reserve the right to inspect the Boat and/or Engine(s) and its maintenance records and to request proof of its ownership in the event of a Mechanical Breakdown claim. We reserve the right to recoup any amount we paid for a Covered Repair to the extent you recover more than your actual loss, collectively, from us and one or more third parties.

Coverage is limited to the Boat and/or Engine parts and other items described below for the Coverage selected and paid for, as indicated on the Registration Page.
