

UNDERSTANDING HOME INSURANCE

www.westontaylorinsurance.com

Let's Talk →

Helping explain the basics of home insurance...
No matter where you buy your policy

Homeowner's Insurance or HOI - insures your property and you against damages caused by covered perils.

Keeping the right protection over your home and possessions gives you peace of mind.

Coverages

There are different coverages for different needs. Knowing the right coverage for your situation gives you leverage when choosing an insurance carrier..

Terminology

Understanding the difference between how a realtor, a mortgage lender and an insurance carrier defines value is powerful.

Solutions

Marrying your need home insurance with the right products will give you peace of mind that, should you need it, you not only know you are covered but how you are covered.
