

- Game Rules -

Number Of Players - 1-2 * Putt Pong can be played against a single opponent or in teams of two.

Object Of Game- The object of Putt Pong is to eliminate all the opposing teams cups by putting a golf ball into them.

Setup- Setting up Putt Pong can be achieved by each team placing game boards on a flat surface. Next, join the two games together with the provided putting mat. Once the games have been locked together, fill each game board with 6 party cups. Each player / team will choose a game board.

Game Play- Each team will attempt to putt 2 golf balls into the opposing teams cups. If this occurs, the ball is removed and the cup is covered with provided pucks, after both balls have been shot. If both golf balls land in the same cup, two cups shall be covered and the scoring team is rewarded with another turn of two shots. **Golf balls in motion shall not be interfered with in anyway.** Teams alternate taking 2 shots until all of one teams cups have been covered. The team with the remaining cups win.
