

Green Hope Farm Flower Essence Suggestions for Common Concerns

This is a list of concerns followed by our suggestions for possible Flower Essences that would help. If you type our Flower Essence suggestions into the search bar on the top left of each page of the website, you will find a description of the Flower Essence.

As always, trust your own guidance about which Flower Essences feel right for your situation. Flower Essences have great depths. If an Essence is calling to you, but is not included in our suggestions, trust your own guidance. This list is simply a place to begin your own dialog with our Flower Essences

If we have a Combination Flower Essence that addresses the issue, it is listed first. These Combination Essences often contain many of the individual Flower Essences suggested for the issue.

Specific sub-topics are listed below their corresponding main topic in italics

If the suggestion comes from our Additional Flower Essence list, we have indicated this and you can open the Additional Flower Essence list and find the description for this Flower Essence suggestion.

Please remember: Flower Essences are informational road maps. They are not chemical and will not alter your body chemistry. Instead, they give your electrical system tools to solve its own problems.
