

REQUEST FOR INFORMATION

Let us know what Moody Movers can move for you. Some customers need help moving most everything while others hire us to handle larger furniture items. We also offer packing services using reinforced heavy duty double wall boxes.

1. Please make a list of furniture, appliances and other significant items.
2. Try to estimate the approximate number of boxes.
3. Do you need help packing and moving TV's, pictures and/or mirrors? Please describe them along with their sizes. We can usually blanket wrap and transport these in our Quick Crates.
4. Wardrobe boxes make moving clothes a snap. How many feet of hanging clothes are in your closets?
5. Please personally handle your important documents, jewelry, precious and irreplaceable family heirlooms, computers and fine breakables.
6. Origin and Destination Address. Moving Date(s).
7. Describe the access at both homes. Exterior: steps, long walks and driveways. Interior: How many floors? Elevator? Narrow staircase? Potential challenges?
8. Please provide any additional pertinent details or requirements.
9. Pictures are helpful if you have larger items such as a piano, safe, workout equity or any unusual items.
10. We offer furniture disposal services. Let us know what you need removed.
