【聖城中文學校臉書 SACCI Facebook Page】

Good news! Our Board of Director David Lim had this good idea to start a SACCI face book, below is his email sent to member of BOD on January 31st:

Hello everybody,
I've started a FB group and would to invite the BOD to join and provide input. I especially am looking for media content (pictures and videos). After we've reviewed it then I'd like to invite all of the students and teachers to join. This FB group is open for the public to view but only

members can contribute.

I hope that we can use site to connect with other groups, promote our school, post events, and act as a medium for us to communicate with students and teachers.

We are excited to see how this develop and will keep you all posted.

【SACCI Promoted at the TAASA event】

Starting this semester, our VP John Lin takes initiatives to build community partnerships with other organizations. For example, talks with TAASA (Taiwanese Association America San Antonio Chapter), the Culture Center of TECO (Taipei Economic and Cultural Office) in Houston), as well as UTSA's cultural events' participation are in progress. On February 19, some SACCI families, including our Board of Director John Ng's family, attended the TAASA annual event at McAllister Park. The event gathered more than 100 TAASA members, and SACCI's flyers were distributed to all of the participants.
