Feedback on Zoom classes:

1. Participants found the academic portion of the classes to be fine, but many felt that the social aspect of being at school in-person was missing.
2. Suggestions were made to break up the classes with an activity.

Some suggestions on activities included:

- a. Scavenger hunt
- b. Singing
- c. Show and tell
- d. Artwork

3. Inclusion of any activities would be up to the teachers, but if anyone would like to suggest ideas, please email your suggestion to kriskozak@gmail.com and I will pass them along.

4. For anyone who did not attend the meeting, but would like to provide additional feedback, please send an email to kriskozak@gmail.com, and I will be happy to pass along your comments.

Other Discussion:

1. A suggestion was made to create a social media presence for SACCI. This suggestion was tabled for now and will be taken up at the next meeting

Please help us to welcome two members of PTO - David Lim and Po-Chun Huang, now stepped up to become the directors of board. They will bring some new ideas to BOD and which is what we urgently needed.

Also we are sorry to see our former director Pat Chung is leaving us due to her son Wesley's busy schedule. Pat served on BOD for many years and always very supportive with school projects. They will be missed.
