

Dear Business Owner,

As parents, volunteers, and members of the Kings Park community, we know how much our local businesses contribute to making this town such a wonderful place to live. We're reaching out to invite you to partner with Kings Park SEPTA (Special Education PTA) by supporting our upcoming November fundraiser.

This November, we'll be bringing together families, educators, and community members for an evening of fun and fundraising in support of students with disabilities throughout the Kings Park Central School District.

Kings Park SEPTA is dedicated to supporting students with disabilities, their families, and the educators who help them succeed. Through fundraising and community support, we're able to provide educational programs, family events, resources, advocacy, and opportunities that help create a more inclusive school community.

There are several ways you can support our fundraiser. Businesses may choose to become an event sponsor with a monetary donation or donate a gift basket, gift certificate, product, service, or experience to be included in our fundraiser raffle. Every contribution, regardless of size, directly supports our mission and is greatly appreciated.

As a thank you, event sponsors will be recognized with a tabletop display at our fundraising event, giving attendees an opportunity to learn about your business while celebrating your support of local students and families. We also look forward to recognizing raffle donors whenever possible.

Thank you for considering our request and for all you do to support the Kings Park community. We hope you'll join us in helping every child feel supported, included, and empowered.

With gratitude,

The **Kings Park SEPTA** 2026–2027 Executive Board

Jade Colliton, Co-President
Dina Klansky, Co-President
