Kings Park SEPTA

SUPPORTING ALL CHILDREN

Kings Park SEPTA is an organization that supports both Special Education Children as well as General Education Children throughout the entire Kings Park Central School District.

We provide support and resources to both parents and faculty that will help to promote our children's development in all aspects of their academic career.

At our meetings we provide informative and professional speakers who present on various issues that aid parents in helping their children achieve their personal best.

Money raised by SEPTA provides items such as Classroom Equipment, Technology, Scholarships and more!

Your membership will support ALL our children

Dear Parents, KP Staff & Teachers,

Let us join hands together in supporting our KP students. Kings Park's Special Education PTA (KP SEPTA) serves the entire school district and dedicates itself to function as an advocate for children that require supportive services for learning. Our mission helps parents, students, school staff and teachers work together to share ideas about programs and activities, which aim to ensure our students educational, social, and emotional needs are met. SEPTA's mission provides information, encouragement, resources and support to parents, students, and educators.

The number one priority for parents is their children's well-being. More than 30 years' worth of research has proven that children do better when their parents are involved both at home and at school, grades and test scores climb, self-esteem grows, schools improve. It is through the combined efforts of parents, school staff and teachers, all who provide our special needs students with the greatest support, to ensure success.

In the past few years, we have:

- ✓ Purchased Diane Alber's, "A Little Spot of Feelings & Emotions" Mental Health Curriculum for grades K-3
- ✓ Supported the use of Therapy Dogs of Long Island in our schools
- ✓ Provided assemblies presented by Jack Hartmann, in both Elementary Schools
- ✓ Contributed to the Fort Salonga Elementary paving and activity blacktop project
- ✓ Supported the Sunshine Club with T-shirts, and Life Skills Class with ipads
- ✓ Purchased much needed chrome books, tables, and smart boards for the KP district
- ✓ Granted multiple annual scholarships to students with special needs
- ✓ Provided supplies and wish list items for teacher's
- ✓ Donated to Council of Schools and Athletic Boosters in support of their new sound system.
- ✓ Purchased the ball pit in the Fort Salonga Elementary School's sensory room (temporarily disabled)

Currently, but not limited to, SEPTA is working on contributing time and donations to the present projects:

- Kings Park High School's activities for Seniors. Let us make this school year special!
- Therapy Dog Fundraising
- SEPTA'S ANNUAL FUNDRAISER: Look Who's Cooking!
- ON-GOING WISH LISTS AND SUPPORTS FOR CHILDREN, FAMILIES, TEACHERS AND STAFF.

Please help support our mission by joining SEPTA. You can join by filling out the attached membership form.

THANK YOU FOR YOUR SUPPORT!

Sincerely,

SEPTA-Membership Committee
