## WORK EXPERIENCE

**Wilson Tobs Baseball Club - Coastal Plains League**  
**Assistant Coach**

**Wilson, NC**  
**Summer 2025**

- Work with pitchers to assist pitching development process including pitch design, workload management, pitch tracking data
- Assist the head coach and staff with building player development plans and agendas for members of the Tobs' 2025 summer team (pitchers and hitters)
- Manage player data and video processing and distribution using programs such as Trackman and Synergy
- Utilize analytical programs and strategies to build advance scouting reports
- Throw pregame BP, hit fungo, and other general baseball operations roles

**Florida State University Baseball**  
**Graduate Student Manager**

**Tallahassee, FL**  
**Spring 2025**

- Continuation of all duties expected as Undergraduate Student Manager
- Use BATS System to assist in player video and data tracking purposes in season (began Aug. 2024)
- Use Synergy Sports and TruMedia to cut and upload video for advance player and team scouting in season (began Aug. 2024)
- Supplement coaching staff to throw front toss/batting practice and hit fungo as needed

**Strength & Conditioning Intern**

**Fall 2024**

- Assisted in planning and execution of individual athlete's strength programming and conditioning
- Monitored, maintained, and set up/broke down weight room
- Operated player performance systems such as force plate and Tendo unit for data collection

**Undergraduate Student Manager**

**Aug. 2023 – Dec. 2024**

- Operated Portable Trackman, Stadium Trackman, and Edgertronic Camera System to support pitching lab operations and in-game data keeping
- Assisted with drills during practice, including positional drills for infielders, pitchers, and catchers
- Conducted player data analysis using RStudio and similar programs
- Captured, cut and uploaded player video to OneDrive program for individual player coaching

**USA Baseball**

**Trackman Operator**

**Cary, NC**  
**Summer 2024**

- Conducted in-game pitch tagging and data Trackman operations, set up/broke down equipment
- Disseminated data to coaches, scouts, and staff with any noticed trends/outlier tendencies of pitchers
- Facilitated the exportation of data files to Trackman servers

**Powermill Training Academy**  
**Pitching Instructor**

**Tallahassee, FL**  
**May – Nov. 2024**

- Gave private pitching instruction to developmental-age players while abiding by NCAA rules and recruiting regulations

- Personally created and executed private coaching clinic for developing pitchers (ages 12-18), including strength and conditioning, arm care programming, and bullpen work – invited to host another at facility

**Florida State University Housing  
Conference Assistant**

**Tallahassee, FL  
Summer 2023**

- Completed check-ins and check-outs in dorms for large groups of college- and high school-age students and children for athletic, pre-law, and other summer camps, including managing building key cards
- Answered questions for student residents and represented FSU Housing through desk shifts

**Florida A&M University  
Sports Information Director**

**Tallahassee, FL  
Jan. – May 2023**

- Conducted official tracking of statistics for team; uploaded and reported to NCAA

**Leon High School  
Assistant JV Coach**

**Tallahassee, FL  
Jan. – May 2023**

- Daily fungo, throwing batting practice, base coaching
- Assisted pitchers in developing pre-game throwing routines and individual arm care systems
- In-game duties included pitch calling, 1<sup>st</sup> Base Coaching, and 3<sup>rd</sup> Base Coaching when necessary

**CERTIFICATION**

**CPR/AED/First Aid Certified** – *National CPR Foundation*
