SKILLS

- **Leadership**
- **Teamwork**
- **Time Management**
- **Discipline**
- **Resilience**
- **Problem Solving**
- **Communication**
- **Competitive drive**
- **Adaptability**
- **Attention to detail**

Motivated and goal-driven former collegiate athlete with a Bachelor's degree in General Studies and valuable experience as a Graduate Assistant in a collegiate athletics program. I've supported the program's recruiting efforts, coordinated travel itineraries, and assisted with day-to-day operations as Director of Baseball Operations. These responsibilities sharpened my organizational, leadership, and communication skills while reinforcing my ability to thrive in high-pressure environments. With a strong work ethic, team-first mentality, and a proven track record of success both on and off the field, I am eager to bring my passion, discipline, and drive for excellence to a new opportunity.
