Work Experience

Pitching Coach

Aug 2024 - Present

Volunteer State Community College (Gallatin, TN)

- Direct all aspects of the pitching program, specializing in data-driven player development, velocity enhancement, and pitch design
- Design and implement individualized training plans utilizing Rapsodo, TrackMan, plyometric and weighted ball programs to optimize performance, command, and movement profiles
- Oversee daily operations of the pitching staff, including throwing progression, mobility routines, recovery protocols, and game preparation
- Collaborate in recruiting efforts, identifying and developing high-level talent capable of advancing to 4-year programs

2026 Season Highlights:

- Led staff to rank Top 16 nationally in strikeouts per 9 innings (10.49 K/9)
- Developed a pitching staff that produced 404 strikeouts in 346 innings pitched with a 30%+ whiff rate
- Achieved a 100% placement rate of eligible pitchers to 4-year college programs

2025 Season Highlights:

- Spearheaded significant improvements across all major pitching metrics, including Wins, ERA, WHIP, FIP, home runs allowed, opponent batting average, strikeouts, and saves
- Played a role in assembling a strong recruiting class, featuring 8 Division I transfers
- Implemented comprehensive development systems integrating biomechanical feedback, pitch analytics, and velocity training methods
- Achieved a 100% placement rate of eligible pitchers to 4-year college programs, including multiple Division I signees.

Director of Player Analytics

Aug 2023 – July 2024

Davidson Academy (Nashville, TN)

- Helped Davidson Academy's 2024 Pitching Staff earn a team 2.76 ERA and a 1.2 WHIP with 279 Strikeouts and a .206 BAA over 213 innings thrown.
- Assisted pitchers with finding pitches that are best for their arsenal using metrically driven Rapsodo data.
- Provided athletic and personal development insight to athletes as they navigated the collegiate recruiting process.
