PROFESSIONAL EXPERIENCE

Assistant Baseball Coach

Wheaton, IL

WHEATON COLLEGE

August 2024 - Present

- Developed and implemented position-specific training plans for infielders while assisting in planning and executing collegiate-level practices and game preparation
- Recruit and evaluate prospective athletes via FieldLevel to build roster and pipeline
- Analyzed opponent film using Synergy to create competitive game strategies
- Utilize Rapsodo to assess player performance and build tailored development plans

Assistant Football Coach

Bourbonnais, IL

OLIVET NAZARENE UNIVERSITY

August 2024 – July 2025

- Analyzed game and practice film to evaluate player performance and support position-specific coaching decisions
- Evaluated and recruited prospective athletes using film analysis and JumpForward
- Coordinated team operations including travel and communication via Teamworks

NORTHLAND PREPARATORY ACADEMY

Flagstaff, AZ

Varsity Baseball Head Coach

August 2021 - July 2024

- Managed all aspects of varsity baseball program operations, including practice planning, budgeting, fundraising, scheduling, and statistic tracking

- Expanded roster from 9 to 32 athletes by launching the school's first JV team and strengthening recruiting efforts
- Built and maintained a national recruiting database to connect players with college programs and recruiters
- Recruited and developed multiple players who advanced to collegiate baseball programs
- Led team to two regional playoff appearances and developed 19 All-Region players

Mathematics Teacher

August 2021 - July 2024

- Delivered Math 8, Pre-Algebra, and Algebra I lessons with a focus on data driven instructional strategies

Baseball Analytics Intern

Normal, IL

NORMAL CORNBELTERS

May 2025 – July 2025

- Conducted player and team performance research using Rapsodo and YakkerTech
- Translated performance data into actionable development targets for coaches and players
- Tracked and charted in-game data including pitch types, velocity, location, outcomes, and more to support scouting and performance analysis

Game Day Operations Intern

Glendale, AZ

ARIZONA CARDINALS FOOTBALL CLUB

August 2023 - January 2024

- Operated within an NFL environment to gain experience in game operations, analytics, event execution and social media, fan engagement, and organizational workflow

Baseball Student Manager

DeKalb, IL

NORTHERN ILLINOIS UNIVERSITY

December 2017 - May 2018

- Assisted with practice organization and drill implementation across all position groups
- Tracked bullpen data including pitch location and velocity to support pitching analysis
