RECRUITING EXPERIENCE

- Evaluated talent at PBR Events, MSI, Local Showcase events
 - Built relationships with high school and travel ball coaches
 - Experience using recruiting platforms: PBR, Perfect Game, X
-

PLAYER DEVELOPMENT & SKILLS

- Assisted in mechanical adjustments/ refinements throughout the year with focus heavily dedicated in the Fall during Individual hitting sessions that I organised and ran.
- Developed off-season plans for hitters over the winter break.
- Organised group hitting sessions that took place prior to practice in season with a focus on maintaining quality bat path while challenging barrel accuracy and timing
- Developed Hitting portion of practice plan alongside Head Coach that would best prepare the hitters for the upcoming weekend
- Worked with catchers developing proper receiving, blocking and throwing mechanics with a focus on doing all three effectively from a one-knee down position.
- Produced all scouting reports on every pitcher for our upcoming series, focusing on pitch shapes and tendencies
- Delivered pre-game hitting meetings to talk approach and strategy for that games starting pitcher, followed by a speech to help set the tone for the game
- Brought out scouting reports and talked to hitters when a pitching change was made, going over modified approach

TECHNOLOGY & ANALYTICS

- Training Experience with TrackMan, Rapsodo, Blast Motion, Driveline
- Scouting done using Synergy and live game feeds
- Experience using machines such as ATEC, Hack Attack, JUGS

CAMPS & CLINICS EXPERIENCE

- Organized and coached youth camps for ages 7–18
- Provided private lessons focused on hitting and catching
- Developed drills and curriculum for skill progression

EDUCATION

Binghamton University — Binghamton, New York

Bachelors in Business Administration | May, 2025
