Youngstown State University - Youngstown, Ohio

Bachelor of Science in Business Administration (3.24 GPA) May 2021

Coaching Experience

Ohio Christian University - Pitching Coach Aug. 2024 - May 2026

- Work with Pitching Staff on improving command, velocity, and in-game performance
- Developed comprehensive throwing programs for both in-season and off-season
- Called pitches and managed Pitching Staff to ensure team success during games
- Kept detailed data log on all bullpens and in-game pitching sessions.

Chillicothe Paints (Prospect League) - Pitching Coach / Field Manager May. 2025 - Present

- Lead team and handle decisions related to tactics during games, and in advance of competition.
- Engage in roster-building duties; communicate with school coaches regarding developmental needs for players
- Coordinate with players' needs during training sessions and games to produce better results

Horsepower Baseball - Owner / Trainer April 2023 - Present

- Use Bullpen settings and Live ABs to evaluate pitch metrics and strive to create desired results.
- Created tailored Strength and Conditioning programs to aid in total player development
- Assisted in the training needs for a wide variety of players at all levels of baseball, from ages 12 - 26

Playing Experience

Youngstown State University / Texas Tech University - Collegiate Baseball Player Aug. 2017 - June 2022

- Competed as primary Friday Night Starting Pitcher for three seasons (2019-21)
- Competed in high-leverage innings for a top-five nationally ranked program.
- Learned how to execute my role in-order-to promote team success.

Fargo-Moorhead Redhawks - Professional Baseball Player June. 2022 - September 2022

- Competed as both Starter and Reliever for the American Association team in North Dakota
- Maintained peak health and wellness to ensure readiness for play
- Helped lead club to a 2022 American Association of Professional Baseball Championship

Other Skills

- Willing and able to do anything to ensure team success (Throw BP, Recruit, Scout, etc.)
- Sufficient in understanding and communicating basic language in Spanish.
- Skilled in utilizing Trackman, FlightScope and Rapsodo
