Capability Statement

Our mission is to maximize our client's ability to deliver quality service to the communities they serve. Torchbearer Solutions provides clients with tailored consulting services that improve their performance and effectiveness in delivering public services.

Core Capabilities

Management Services

- Strategic planning and organizational assessment.
- Leadership development and performance improvement.
- Business process development and performance optimization.
- Liaison between management and external auditors.

Operational Services

- Resource planning and operational restructuring.
- Efficiency evaluations and cost-reduction strategies.
- Business process improvement and workflow optimization.
- Contract monitoring and risk assessment.

Differentiators

- Integrated consulting and liaison services for a comprehensive evaluation.
- Tailored, hands-on consulting that aligns with each client's operational needs.
- Flexible service models designed for small, mid-sized, and growing organizations.
- Expertise in identifying operational gaps and creating practical, measurable solutions.
- Fast turnaround, senior-level expertise, and consistent communication.
- Strong focus on compliance, internal controls, and efficiency.

Past Performance

Jeremaih Shannon, Founder and President of Torchbearer Solutions LLC, has over a decade of experience performing audits in accordance with Generally Accepted Government Auditing Standards (GAGAS) for the City of New York (City). As an external auditor, he performed audits of City agencies, nonprofits, contractors and political campaigns in accordance with GAGAS. While conducting audits, he performed analysis of administrative, financial and programmatic records to determine if entities achieved its objectives efficiently and effectively; and conformed to specific laws, regulation, policies or contractual obligations.
