Pack 151 Conducts annual Pinewood Derby

Boy Scouts of America Pack 151, chartered by American Legion Post 174, conducted their annual Pinewood Derby on January 28.

To open the event, Assistant Cub Master Scott Taylor introduced AutoZone's Rayco Hill, district manager, and Todd Walker, territory sales manager. AutoZone sponsored the event by donating prizes for the winners.

While getting ready for the race to begin, Legionnaire Frank Espinosa, Rayco Hill, Todd Walker and Post Commander BJ MacMillan judged the cars, selecting winners of the following categories:

- Best Theme: Caden Taylor
- Fastest Looking: Jaydon Love
- Most Patriotic: Malachi Nix
- Most Unique: Case Taylor

- Best Craftsmanship: Ethan Ostroski
- Best Paint: Luke Blankenship.

The race began with den races, then best of the dens and overall winners. The pack was using a new computer system, which tracked the car speeds, winners of each race and the overall winners. It made the competition go much quicker.

There were a total of 30 cars run by scouts, two by den chiefs and an adult competition of six cars. The overall winner was Kaiden Parker. Winners for each group included:

- Lions: Malachi Nix
- Tigers: Davis Wade
- Wolves: Kaiden Parker
- Bears: Graham Wade
- Webelos: Gavin Woodward
- Arrow of Light: Titus Nolan
