

American Legion Post 174 Joins the Field of Honor Opening Ceremony

Submitted by BJ MacMillan, Commander, Post 174

On November 6, American Legion Post 174 marched in the opening ceremony of the Georgetown Field of Honor. Two of our Troop 151 Scouts carried our Legion Colors and Colors for the MOWW (Military Order of World Wars).

The Post Commander presented Post 174 Coins to the two Scouts who carried the colors for the two veteran organizations. It was a great privilege to represent the American Legion in this annual event honoring Veterans.

On Veterans Day, November 11, 2022, American Legion Post 174 helped celebrate Veterans Day at two local senior living communities. Certificates of Honor were presented along with U.S. Flags to the Veterans. Several Post members attended the Veterans Day Ceremonies. First was The Oaks Gracious Retirement Living Center. There were seventeen veterans honored at this ceremony. Second was The Delaney Senior Living Community where forty-three veterans were honored. One Veteran caught the attention of the Post Commander. Jack Kirby was an Army paratrooper as is the Commander. They talked about Airborne School and how it had changed. Jack learned to pack his own parachute and said everyone paid attention to that part of the training. By the time the Commander attended Airborne School, there were riggers to pack the parachutes. It was an honor to recognize the Veterans!

Jack Kirby, Army Paratrooper, and BJ MacMillan, Army paratrooper.
