

POWR Bar

Powr Bar offers AC power distribution in a convenient multiple outlet case for audio / video system applications. This simple design features high grade components, durability, and our award winning harmonic pulse resonance technology.

Powr Bar is fully shielded, suitable for 110 and 220 AC volt operation. Easily accommodates high end AC power cords with large connectors. Furutech AC sockets (8) and IEC inlet assure secure connections.

SPECIFICATIONS

Black anodized aluminum chassis

Weight: 2.4 lbs.

Dimensions: 12.25 x 5 x 2.625"

Electrical Input: 110 / 220 VAC 60/50 Hz

Input : C-14 IEC Furutech gold plated (110 VAC 15 Amp / 220 VAC 10 Amp)

Output : US (NEMA) Furutech gold plated duplex receptacle

Electrical Output: Equivalent to Input

WARRANTY

Coherence Systems warrants that the product will be free from defects in materials and workmanship to the original purchaser, under normal use and for a period of five years.

This warranty is not transferable.

Please note: There are no user serviceable parts inside the Powr Bar.

Opening, tampering with, or modifying the unit in any way could be dangerous and will void the warranty on these products.
